

Are you a forward-thinking, hands-on Architect who wants to be part of a team that provides exceptional service to your clients? If so, Cedar Corporation has an immediate opening for you in our Menomonie, WI office.

The ability to communicate effectively and confidently guide projects, from project development through project closeout, is vital. You will work closely with the architectural team and consultants in the development and completion of projects with existing and prospective clientele.

**Duties Include:**

- Building design and project management
- Assistance in marketing architectural services including conducting proposal presentations
- Managing communication between clients, consultants and contractors.

**Preferred Qualifications::**

- A minimum Bachelor's Degree in Architecture with experience in the Architectural Field 2-10 years.
- Licensed Architect in the State of Wisconsin, LEED preferred.
- Previous project management experience.
- Ability to work in a team atmosphere.
- Ability to create technical documentation and drawings that concisely describes the work to be completed.
- Working knowledge of building codes, facility space planning, programming and contract documents.
- Previous experience in proposal preparation and client management; proven history in leading and winning proposals.
- Previous experience on projects within the local, county, and state market sectors, and a working knowledge of Revit or similar BIM software is a plus.

The position provides a competitive salary and full benefit package.
