

Cedar Corporation is a growing full service consulting company in search of creative, talented, and client focused individuals to join our collaborative team. With offices in Menomonie, Green Bay, Madison, and Cedarburg, Wisconsin, we are involved in a wide range of governmental, commercial, educational, hospitality, and industrial projects, including historic renovations to modern commercial buildings and functional industrial solutions. While most of our work is in Wisconsin, we also work throughout the Midwest. Regardless of the project or locale, we work closely with our clients, providing a full range of architectural and engineering services.

Our firm has been built on referral and repeat business, and each employee contributes to that success. We work with clients who expect Cedar's unique balance of attention to detail, experience, and quality design skills. We are seeking an Architectural Intern to assist our Architectural Team in our Menomonie office. Would you like to be a part of our team?

DUTIES WILL INCLUDE:

- Preparation of 3D models, renderings, and presentation materials.
- Assist with the preparation and development of preliminary plans and construction documents, under the direction of Design Professionals.

PREFERRED QUALIFICATIONS:

- Proficient in AutoCAD and Revit for the preparation of construction documents and have knowledge of building materials.
- Excellent time management, prioritization and organizational skills, with the ability to complete projects on time, with precision and attention to detail.
- Desire to learn, be mentored and accept direction.
- Strong interpersonal skills and ability to work independently but, also able to work as part of a team, assisting and supporting team members.
- Ability to build good relationships, both internally and externally, with integrity, respect, humor, and a sense of responsibility.
- Strong verbal, written, and graphic communication skills.

Cedar Corporation is a professional service firm with disciplines in engineering, architecture, environmental, planning, economic development, landscape architecture, and land surveying.

Founded in 1975, the company has grown in size and stature to its present staff of 85. Our staff is dedicated to the principles on which the firm was developed: professionalism, state-of-the-art technology, and service to clients. We have continued to grow because of our commitment to comprehensive service and good communication with our clients.

To better serve our clients, Cedar Corporation has offices located in Green Bay, Menomonie, Madison, and Cedarburg, Wisconsin.
