

BIM Technician/Architectural Designer

Cedar Corporation is a growing full service consulting firm in search of creative, talented, and client focused individuals to join our collaborative team. We have offices located in Menomonie, Green Bay, Madison, and Cedarburg, Wisconsin.

We are involved in a wide range of governmental, commercial, educational, hospitality, and industrial projects, including historic renovations to modern commercial buildings and functional industrial solutions.

Our firm has been built on referral and repeat business, and each employee contributes to that success. We work with clients who expect Cedar's unique balance of attention to detail, experience, and quality design skills. We are seeking a BIM Technician/Architectural Designer to join our Architectural Team.

DUTIES WILL INCLUDE:

The position will work closely with our team of Architects, Engineers, and Designers

- Coordination and development of 3D BIM models and documents using Revit
- Assist with the review of project submittals for construction projects
- Development and coordination of preliminary plans and construction documents
- Assist in preparation of design calculations, regulatory submittals, facility assessments, and other related documents
- Preparation of 3D models, renderings, and presentation materials
- Assist with contract administration services, site visits, and inspections

PREFERRED QUALIFICATIONS:

- Proficient in Revit, Lumion, and AutoCAD for the preparation of BIM models, renderings, and construction documents.
- Minimum of a two year Associate Degree, or two years of experience in a related field.
- Familiarity with a variety of building materials and modelling.
- Excellent time management and organizational skills, with the ability to complete projects on time, with precision, and attention to detail.
- Desire to learn, be mentored, and accept direction.
- Strong interpersonal skills with the ability to work independently but also as part of a team, assisting and supporting team members.
- Ability to build good relationships, both internally and externally, with integrity, respect, humor, and a sense of responsibility.
- Strong verbal, written, and graphic communication skills.
