

Cedar Corporation is looking for a full-time, highly motivated, self-starter to join our growing company as a Municipal Engineer in our Menomonie office.

This individual will provide client and project management along with design engineering for the Menomonie office as well as assist other offices with projects as necessary.

Responsibilities include:

- Manage existing clients.
- Provide project management services for municipal projects.
- Design of streets, water, sewer, and storm sewer systems including lift stations, water booster stations, wells, water towers and water system studies.

Preferred Qualifications:

- AutoCAD Civil 3D experience.
- MicroStation & GeoPAK experience is a plus
- Proficient with Microsoft Word and Excel software.
- WaterCAD, KY Pipes and WinSLAMM experience is a plus.
- Excellent oral and written communication & presentation skills.
- Experience managing multiple projects/clients at one time.
- 5-10 years experience in Municipal or Civil Engineering with 5 years experience as a Professional Engineer.
- Required: Wisconsin Professional Engineer license, or the ability to obtain the license in Wisconsin.

The position provides a competitive salary and full benefit package.
