

**Do you want to be a part of a growing company that offers a professional, yet flexible work environment? Then Cedar Corporation is looking for you! We are hiring a highly motivated, self-starter to provide Community Planning services in our Menomonie office.**

The ideal candidate will possess 10 plus years of working experience in Community Planning.

In this position, you will interact with local municipalities to identify needs, provide solutions, and manage multiple projects. As a consultant, you are required to work closely with village, city, and town staff and elected officials to provide answers, develop solutions, and present recommendations on a wide variety of planning and zoning issues. Professional writing skills, knowledge of state and federal codes, and presentation skills are essential. You will also be responsible for developing plans, overseeing special projects, and staff reviews. The position requires attendance at local government board and council meetings.

### Required Qualifications:

- B.S. or B.A. in Urban Design, Planning, Geography, Business, or Economic Development
- 10+ years of related work experience
- 5+ years of project management
- 5+ years consulting experience
- Proficient in developing and maintaining client relationships

### Preferred Qualifications:

- AICP Certification
- Marketing skills
- Grant Writing
- Knowledge of code administration

The position provides a competitive salary and excellent full benefit package.
